Announcement on the accreditation of media representatives for the upcoming 2017 Local Council Elections

In preparations for the upcoming 2017 Local Elections, the CEC announces that the media accreditation cards previously issued during the 2016 elections will remain valid until end of 2017.

The CEC invites local and international journalists and media representatives, who haven't applied for accreditation before, and are wishing to cover the upcoming local elections to apply for accreditation cards. The accreditation cards enables holders to access registration and polling centers.

Applications should be submitted electronically through CEC's webpage: www.elections.ps, As of 2 March 2017 until 6 May 2017.

Documentation required for the application:

- Accreditation application form completed for each media representative.
- A media coverage letter from the media organization in which the journalist works. Free lance journalists should provide a copy of the media card from the Ministry of Information or the journalists' syndicate membership card. International journalists should provide a copy of the media card from the Ministry of Information.
- A 2x3 cm picture, in a addition to a copy of his/her ID or passport.

For more information please call the media section on:
